

Participants, as required to meet Stage I and II requirements.

3. Commitment of Participants' resources to VISA is as follows:

a. *Stage III*: A carrier desiring to participate in DoD peacetime contracts/traffic must commit no less than 50% of its total U.S. Flag capacity into Stage III. Carriers receiving DOT payments under the MSP, or carriers subject to section 909 of Merchant Marine Act of 1936, as amended, that are not enrolled in the SRP will have vessels receiving such assistance enrolled in Stage III. Participants' capacity under charter to DoD will be considered "organic" to DoD, and does not count towards the Participant's Contingency commitment during the period of the charter. Participants utilized under Stage III activation will be compensated based upon a DoD pre-approved rate methodology.

b. *Stages I and II*: DoD will annually develop and publish minimum commitment requirements for Stages I and II. Normally, the awarding of a long-term (*i.e.*, one year or longer) DoD contract, exclusive of charters, will include the annual pre-designated minimum commitment to Stages I and/or II. Participants desiring to bid on DoD peacetime contracts will be required to provide commitment levels to meet DoD-established Stage I and/or II minimums on an annual basis. Participants may gain additional consideration for peacetime contract cargo allocation awards by committing capacity to Stages I and II beyond the specified minimums. If the Participant is awarded a contract reflecting such a commitment, that commitment shall become the actual amount of a Participant's U.S. Flag capacity commitment to Stages I and II. A Participant's Stage III U.S. Flag capacity commitment shall represent its total minimum VISA commitment. That Participant's Stage I and II capacity commitments as well as any volunteer capacity contribution by Participant are portions of Participant's total VISA commitment. Participants activated during Stages I and II will be compensated in accordance with prenegotiated Contingency contracts.

4. Participants exclusively operating vessels engaged in domestic trades will be required to commit 50% of that capacity to Stage III. Such Participants will not be required to commit capacity to Stages I and II as a consideration of domestic peacetime traffic and/or contract award. However, such Participants may voluntarily agree to commit capacity to Stages I and/or II.

5. The Participant owning, operating, or controlling an activated ship or ship

capacity will provide intermodal equipment and management services needed to utilize the ship and equipment at not less than the Participant's normal efficiency, in accordance with the prenegotiated Contingency contracts implementing this Agreement.

C. Effective Date and Duration of Participation

1. Participation in this Agreement is effective upon execution by MARAD of the submitted form referenced in section VII, and approval by USTRANSCOM by execution of an Enrollment Contract, for Stage III, at a minimum.

2. VISA participation remains in effect until the Participant terminates the Agreement in accordance with paragraph D below, or termination of the Agreement in accordance with 44 CFR 332.4. Notwithstanding termination of VISA or participation in VISA, obligations pursuant to executed DoD peacetime contracts shall remain in effect for the term of such contracts and are subject to all terms and conditions thereof.

D. Participant Termination of VISA

1. Except as provided in paragraph 2 below, a Participant may terminate its participation in VISA upon written notice to the Administrator. Such termination shall become effective 30 days after written notice is received, unless obligations incurred under VISA by virtue of activation of any Contingency contract cannot be fulfilled prior to the termination date, in which case the Participant shall be required to complete the performance of such obligations. Voluntary termination by a carrier of its VISA participation shall not act to terminate or otherwise mitigate any separate contractual commitment entered into with DoD.

2. A Participant having an MSP operating agreement with SecTrans shall not withdraw from this Agreement at any time during the original term of the MSP operating agreement.

3. A Participant's withdrawal, or termination of this Agreement, will not deprive a Participant of an antitrust defense otherwise available to it in accordance with DPA section 708 for the fulfillment of obligations incurred prior to withdrawal or termination.

4. A Participant otherwise subject to the DoD SRP that voluntarily withdraws from this Agreement will become subject again to the DoD SRP.

E. Rules and Regulations

Each Participant acknowledges and agrees to abide by all provisions of DPA section 708, and regulations related

thereto which are promulgated by the Secretary, the Attorney General, and the Chairman-FTC. Standards and procedures pertaining to voluntary agreements have been promulgated in 44 CFR part 332. 46 CFR part 340 establishes procedures for assigning the priority for use and the allocation of shipping services, containers and chassis. The JPAG will inform Participants of new and amended rules and regulations as they are issued in accordance with law and administrative due process. Although Participants may withdraw from VISA, they remain subject to all authorized rules and regulations while in Participant status.

F. Carrier Coordination Agreements (CCA)

1. When any Stage of VISA is activated or when DoD has requested volunteer capacity pursuant to Section V.B. of VISA, Participants may implement approved CCAs to meet the needs of the DoD and to minimize the disruption of their services to the civil economy.

2. A CCA for which the parties seek the benefit of section 708(j) of the DPA shall be identified as such and shall be submitted to the Administrator for approval and certification in accordance with section 708(f)(1)(A) of the DPA. Upon approval and certification, the Administrator shall transmit the Agreement to the Attorney General for a finding in accordance with section 708(f)(1)(B) of the DPA. Parties to approved CCAs may avail themselves of the antitrust defenses set forth in section 708(j) of the DPA. Nothing in VISA precludes Participants from engaging in lawful conduct (including carrier coordination activities) that lies outside the scope of an approved Carrier Coordination Agreement; but antitrust defenses will not be available pursuant to section 708(j) of the DPA for such conduct.

3. Participants may seek approval for CCAs at any time.

G. Enrollment of Capacity (Ships and Equipment)

1. A list identifying the ships/capacity and intermodal equipment committed by a Participant to each Stage of VISA will be prepared by the Participant and submitted to USTRANSCOM within seven days after a carrier has become a Participant. USTRANSCOM will maintain a record of all such commitments. Participants will notify USTRANSCOM of any changes not later than seven days prior to the change.

2. USTRANSCOM will provide a copy of each Participant's VISA commitment data and all changes to MARAD.
