

maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

The ICR provides a detailed explanation of this estimate, which is only briefly summarized in this notice. The annual public burden for this ICR is estimated to be 757.50 hours. The following is a summary of the estimates taken from the ICR:

Respondents/affected entities:

Pesticide registrants who wish to obtain an EUP to ship and use a pesticide for experimental purposes only.

Estimated total number of potential respondents: 75.

Frequency of response: As needed.

Estimated total/average number of responses for each respondent: 1.

Estimated total annual burden hours: 757.50.

Estimated total annual burden costs: \$64,950.

VI. Are There Changes in the Estimates from the Last Approval?

Total respondent costs associated with this program rose from \$61,297.50 to \$64,950. Total Agency costs rose from \$67,950 to \$77,925. Changes to total costs associated with this program are due to the increase in labor rates, reflecting the most current estimates.

VII. What is the Next Step in the Process for this ICR?

EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval pursuant to 5 CFR 1320.12. EPA will issue another **Federal Register** notice pursuant to 5 CFR 1320.5(a)(1)(iv) to announce the submission of the ICR to OMB and the opportunity to submit additional comments to OMB. If you have any questions about this ICR or the approval process, please contact the person listed under **FOR FURTHER INFORMATION CONTACT**.
