

Parties are asked to include in their requests a statement setting forth their expertise in or knowledge of the issues on which the workshop will focus and their contact information, including a telephone number, facsimile number, and e-mail address (if available), to enable the FTC to notify them if they are selected. An original and two copies of each document should be submitted. Panelists will be notified on or before Wednesday, April 9, 2003, whether they have been selected.

Using the following criteria, FTC staff will select a limited number of panelists to participate in the workshop. The number of parties selected will not be so large as to inhibit effective discussion among them.

1. The party has expertise in or knowledge of the issues that are the focus of the workshop.
2. The party's participation would promote a balance of interests being represented at the workshop.
3. The party has been designated by one or more interested parties (who timely file requests to participate) as a party who shares group interests with the designator(s).

In addition, there will be time during the workshop for those not serving as panelists to ask questions.

Form and Availability of Comments

The FTC requests that interested parties submit written comments on the above questions to foster greater understanding of the issues. Especially useful are any studies, surveys, research, and empirical data. Comments should be captioned "Technology Workshop—Comment, PO34808," and must be filed on or before Wednesday, April 23, 2003.

Parties sending written comments should submit an original and two copies of each document. To enable prompt review and public access, paper submissions should include a version on diskette in PDF, ASCII, WordPerfect, or Microsoft Word format. Diskettes should be labeled with the name of the party, and the name and version of the word processing program used to create the document. Alternatively, comments may be emailed to techworkshop@ftc.gov.

Written comments will be available for public inspection in accordance with the Freedom of Information Act, 5 U.S.C. 552, and FTC regulations, 16 CFR part 4.9, Monday through Friday between the hours of 8:30 a.m. and 5 p.m. at the Public Reference Room 130, Federal Trade Commission, 600 Pennsylvania Avenue, NW., Washington, DC 20580. This notice and, to the extent technologically possible,

all comments will also be posted on the FTC Web site at <http://www.ftc.gov/techworkshop>.

By direction of the Commission.

Donald S. Clark,
Secretary.

Joint Financial Management Improvement Program (JFMIP)—Federal Financial Management System Requirements (FFMSR)

AGENCY: Joint Financial Management Improvement Program (JFMIP).

ACTION: Notice of document finalization and posting.

SUMMARY: The JFMIP is seeking announcement of document finalization and posting for the "JFMIP Revenue System Requirements Document" dated January 2003. The document is the first Federal Financial Management System Requirements (FFMSR) document to address standard financial requirements for Federal revenue systems. The document is intended to assist agencies when developing, improving or evaluating revenue systems. It provides the baseline functionality that agency systems must have to support agency missions and comply with laws and regulations. This document augments the existing body of FFMSR that define financial system functional requirements that are used in evaluating compliance with the Federal Financial Management Improvement Act (FFMIA) of 1996.

DATES: For release as soon as possible.

ADDRESSES: The document is available on the JFMIP Web site: www.jfmip.gov.

FOR FURTHER INFORMATION CONTACT: Daniel Costello at daniel.costello@gsa.gov.

SUPPLEMENTARY INFORMATION: The FFMIA of 1996 mandated that agencies implement and maintain systems that comply substantially with FFMSR, applicable Federal accounting standards, and the U.S. Government Standard General Ledger at the transaction level. The FFMIA statute codified the JFMIP financial system requirements documents as a key benchmark that agency systems must meet to substantially comply with systems requirements provisions under FFMIA. To support the provisions outlined in the FFMIA, the JFMIP is updating obsolete requirements

documents and publishing additional requirements documents.

An open house is scheduled for February 27, 2003, from 1 to 3 pm in room 5141A of the main GSA building, to provide additional information on the document. The name, organization, telephone number, and e-mail address for attendees should be e-mailed to daniel.costello@gsa.gov to register.

Karen Cleary Alderman,

Executive Director, Joint Financial Management Improvement Program.
