Type of FSS Program.

The family is a participant in the: (Check only one)

☐ Section 8 Rental Certificate or Rental Voucher FSS Program

☐ Public Housing FSS Program

☐ Indian Housing FSS Program

Purpose of Contract

The purpose of this contract is to state the rights and responsibilities of the family and the HA, the resources and supportive services to be provided to the family, and the activities to be completed by the family.

Term of Contract

This contract will be effective on _____.

This contract will expire on _____.

The HA can extend the term of the contract up to 2 years if the family gives the HA a written request for an extension and the HA finds that good cause exists for the extension.

Resources and Supportive Services

During the term of the contract, the HA will try to provide the resources and services listed in the individual training and services plans. If the resources and services are not available, the HA will try to substitute other resources and services. However, the HA has no liability to the family if the resources and services are not provided.

FSS Escrow Account

The HA will establish an FSS escrow account for the family. A portion of the increases in the family's rent because of increases in earned income will be credited to the FSS escrow account in accordance with HUD requirements.

Listed below are the family's annual income, earned income, and family rent when the family begins the FSS program. These amounts will be used to determine the amount credited to the family's FSS escrow account because of future increases in earned income.

Annual Income \$ _____

Earned Income \$ _____

Family Rent (Total Tenant Payment or, for rental vouchers, 30% of monthly Adjusted Income) \$ _____

The HA will invest the FSS escrow account funds in HUD-approved investments.

The HA will give the family a report on the amount in the family's

FSS escrow account at least once a year.

If the family is participating in the Section 8 program and moves outside the HA's jurisdiction under Section 8 portability procedures, the HA may transfer the balance of the family's FSS escrow account to another HA.

Withdrawal of Funds from FSS Escrow Account

The HA may permit the family to withdraw funds from the FSS escrow account before completion of the contract if the family has completed specific interim goals, designated by the HA, and needs some of the FSS escrow account funds to complete the contract (example: to pay for school costs).

The HA will pay the head of the family the amount in the family's FSS escrow account, less any amount owed to the HA, when:

- (1) the HA determines that the family has completed this contract, and,
- (2) at the time of contract completion, the head of the family provides written certification to the HA that no member of the family is receiving welfare assistance. Welfare assistance means income assistance from Federal or state welfare programs including AFDC, SSI that is subject to an income eligibility test, Medicaid, food stamps, and general assistance. Welfare assistance does not include transitional Medicaid or child care for JOBS participants or SSI payments to guardians of disabled children.

If the head of the family leaves the assisted unit, the remaining family members may, after consulting the HA, name another family member to receive the FSS escrow account funds.

Loss of FSS Escrow Account

The family will not receive the funds in its FSS escrow account if:

- (1) the contract of participation is terminated,
- (2) the contract of participation is declared null and void; or
- (3) the family has not met its family responsibilities within the times specified as stated in this contract.

Family Responsibilities

The head of the family must:

- o Seek and maintain suitable employment after completion of the job training programs listed in the individual training and services plan. The HA, after consulting with the head of the family, will determine what employment is suitable based on the skills, education, and job training of that individual and available job opportunities in the area.

The head of the family and those family members who have decided, with HA agreement, to execute an individual training and services plan, must:

- o Complete the activities within the dates listed in each individual training and services plan.
