

Map 171 Unit 11 - *Pteralyxia kauaiensis* - e

The map displays the island of Kauai with Unit 11 highlighted by a thick black border. Within this unit, a specific area near Kalalau is shaded with diagonal lines, representing critical habitat for *Pteralyxia kauaiensis* - e. The map includes various geographical labels: beaches (Kee, Hanakapiai, Kalalau), valleys (Milolii, Kawaiiki, Waimea), canyons (Waimea), ridges (Kawaiiki), and other features like Waiahuakua, Puu Iliahi, Kamaekuanu, Puwainui Falls, Alakai Swamp, Waialeale Falls, and Keaku Cave. Elevation contours are shown for 1,000, 2,000, 3,000, and 4,000 feet. Major roads and the coastline are also indicated. A legend at the bottom left defines the symbols for Critical Habitat Unit 11, Critical Habitat for *Pteralyxia kauaiensis* - e, Elevation (1,000-ft. contours), Major Road, and Coastline. A scale bar at the bottom center shows distances in miles (0 to 2) and kilometers (0 to 2). An inset map at the bottom right shows the location of Kauai within the Hawaiian Islands, with a north arrow.
