

## II. Suspension of Investigation

On the Effective Date, the Department will suspend its antidumping investigation of UANS from the Russian Federation initiated on May 9, 2002 (67 FR 35492, May 20, 2002), in accordance with section 734(b)(1) and (c) of the Act and 19 CFR 351.208 (2002).

The Department determines that extraordinary circumstances are present in this case, that this Agreement will eliminate completely the injurious effect of exports to the United States of UANS from the Russian Federation, and that this Agreement will prevent suppression or undercutting of price levels of domestic products by imports of that merchandise. The Department also determines that this Agreement is in the public interest, and that effective monitoring of the Agreement by the United States is practicable.

The Signatories collectively are the producers and exporters in the Russian Federation that, during the antidumping duty investigation of UANS from the Russian Federation, accounted for substantially all of the subject merchandise exported from the Russian Federation to the United States, as defined in section 351.208(c) of the Regulations. The Department may at any time during the operation of the Agreement require additional producers/exporters to sign the Agreement in order to ensure that not less than substantially all sales of UANS from the Russian Federation to the United States are covered by the Agreement.

## III. Contingency

Continued application of the Suspension Agreement shall be dependent upon all of the signatory Russian producers and exporters of UANS reaching an agreement, by March 3, 2003, with the Russian Federation Ministry of Economic Development and Trade MEDT, whereby MEDT and the signatories agree to establish an Export Certification Program and to abide by each of the conditions outlined in the Appendix to the letter dated February 19, 2003, from Maxim Medvedkov, Deputy Minister of MEDT, to Faryar Shirzad, Assistant Secretary of Commerce for Import Administration. A copy of this Agreement ("the Russian Agreement") shall be placed on the record of this Suspension Agreement at that time. Should this contingency not be met by this date, this Suspension Agreement shall lapse and the provisions of section 734(i) of the Act shall apply.

## IV. Moratorium Period

As of the Effective Date, each Signatory Producer/Exporter agrees, pursuant to section 734(b)(1) of the Act, to cease exports of UANS to the United States during the period ending on June 30, 2003.

## V. Reference Price Period

Each Signatory agrees that, following the Moratorium Period, *i.e.*, beginning July 1, 2003, and in order to satisfy the requirements of section 734(c)(1)(B) of the Act, for each entry of UANS subject to this Agreement, the amount by which the estimated normal value exceeds the export price (or the constructed export price) will not exceed 15 per cent of the weighted average amount by which the estimated normal value exceeded the export price (or the constructed export price) for all less-than-fair-value entries examined during the investigation.

## VI. Reference Price Methodology

A. The Reference Price will be based on a Current Market Price, adjusted to reflect an F.O.B. Russian Federation port of export price. In addition, there will be a Floor Price below which the Reference Price shall not fall. The Reference Price will be determined on a weekly basis.

B. The Department will issue the first Reference Price under this Agreement seven days before the termination of the Moratorium Period, utilizing the calculation methodology in section VI.C. below. This first Reference Price will be applicable to the week after the end of the Moratorium Period.

C. The Current Market Price will be determined as follows:

1. The Department will calculate an average of the weekly Northeast and Southeast F.O.B. from Green Markets and the Atlantic Coast region of Fertilizer Week price ranges from publicly available information.

2. The Department will calculate a simple average of the four most recent weekly averages derived in subsection 1 above. This four week average (converted from a short ton basis to a metric ton basis) will be the Current Market Price.

3. After consultations, the Department and the Signatories to the Agreement, should they agree that the currently used sources for the valuation of the Current Market Price for UANS are no longer appropriate, may agree to select an alternative source. The Department will give parties at least 30 days notice before choosing another source(s) for the purposes of Current Market Price valuation.

4. To express the Current Market Price on an F.O.B. Russian Federation port of

export basis, an amount for costs associated with delivering the merchandise from the Russian Federation to the United States shall be deducted from the Current Market Price calculated in section C.2. This amount will be \$36 per metric ton. Except when section C.3 applies, the result of this calculation shall be the Reference Price. After consultations, the Department and the signatories to the Agreement, should they agree that the amount for costs associated with delivering the merchandise from the Russian Federation to the United States are no longer appropriate, may revise this amount. The Department will give parties at least 30 days notice prior to any change becoming effective.

D. The Floor Price is the price below which the UANS subject to this Agreement may not be sold. The Floor Price will be \$85 F.O.B. Russian Federation port. The Reference Price shall be not less than the Floor Price.

E. Reference Prices are F.O.B. Russian Federation port of export. If the sale for export is on terms other than F.O.B. Russian Federation port of export, the Signatories to this Agreement shall ensure that the F.O.B. Russian Federation port of export price is not lower than the Reference Price, by adjusting the relevant costs to ensure compliance with the Reference Price requirements.

## VII. Reporting Requirements

A. Each Signatory will supply to the Department 30 days after the end of each Quarter all information that the Department determines is necessary to ensure that the Signatory is in full compliance with the terms of this Agreement. Such information shall include, but not be limited to, complete price information on each sale of UANS directly or indirectly to unaffiliated purchasers in the United States, including information supporting any relevant adjustments to the price under section 772 of the Act.

B. The Department may reject any information submitted under this Agreement that is untimely or any information which it is unable to verify to its satisfaction.

## VIII. Disclosure

The Department may make available to representatives of each domestic Party to the Proceeding, under administrative protective orders drawn in accordance with section 777 of the Act and section 351.305 of the Regulations, business proprietary information submitted to the Department for each Quarter, as well as
