

## REMEDIES THROGUH DIVYA PRABHANDA PASURAMS

(compiled by Srivilliputtur Govindakrishnan Alagar)

In Srivaishanava Sampradhayam, once we surrender to Sriman Narayanan, He takes care of every thing about us and we are not to ask anything from Him. In actual life, every one, though he is a believer in the supremacy of Lord Narayana, when troubles assail, a human being do seek solace, like reading specific *kaandam* from Ramayana etc. though kaamyapaayanam is dissuaded by elders. I was compiling a work titled “Naalayiram eentha nan muthukkal” (collection of prominent statements from *prabhanda pasurams* for which, it was necessary to go through all the four thousand songs of Azhwars. In the process of compiling that, as a by product, I happened to note down which group of ten songs are assured by different Azhvars as remedy for which problem or granting of specific boon. The following list emerged. (Of course, this is not exhaustive):
