He is currently a technical consultant for Columbia Forest Products and has developed finishing products that are sold all over the world under the "Homestead" name. He is the author of 4 books: HAND APPLIED FINISHES, GREAT WOOD FINISHES, THE COMPLETE GUIDE TO FINISHING (Taunton Press) and FURNITURE REPAIR AND REFINISHING (Handyman Club of America) as well as two videos: COLORING WOOD and APPLYING TOPCOATS, (Taunton Press). TWA meeting Annual Auction

Our annual auction is just a little ways away – November 21st. Get your neglected treasures ready to find new homes where they will be loved and used. The auction will be at Woodworking Shop, 3141 Capital Blvd., 0.9 mile north of the Beltline. Exit 11. with set-up starting at 6:00 pm, on Nov. 21, 2006. Please take some time to review the auction rules. New this year is the addition of a 10% buyer's premium that will help cover the costs associated with the auction. In order to make the auction fair for all club members, and to ensure we can conclude the meeting in a timely fashion, we do limit the number of lots, and require pre-registration of all lots. This rule will be enforced! Let's make the evening fun for ALL of us! Don't procrastinate - register NOW! The auction will be conducted by Phil Bright, a retired professional auctioneer, and Dick Snow, who will record the auction proceedings. They have conducted many auctions and are very knowledgeable woodworkers. We are fortunate to have their services. We will also require the help of a couple of members the night of the auction to help arrange, "hold up" and hand out items that have sold. Let Ed know if you will be willing to help. (Remember - that is a great excuse to get a first hand, up close look at everything being sold!) Direct questions to Ed Karolak: 919-383-4233 or Ekarolak@aol.com.

The Presidents Corner

This month our speaker is Jeff Jewitt and he is one of our high points of the year. The membership gave very high priority to learning about finishing, so asked one of the best known finishers to join us this month. Jeff will be speaking at the general meeting and will conduct two workshops. This is your chance to learn from a master. If you have not signed up, you should call Cecil Raynor to secure your spot. Payment is required to lock in your registration. Don't wait too long; the slots are filling fast.

Toys for Tots got off to an excellent start with two workshops at Diane and Sue Eckard's shop. Diane said she could use a woodworker for a few more hours of cutting toys out. Contact her at 764-9226 if you can spare some time. *(continued on page 2)*

She and Sue plan to get church members and boy scouts to help with assembly and finishing.

Bill Anderson can use four more members on Nov 4th. We have 107 sheets of plywood measuring 8" x 11" waiting for a puzzle picture. Please give me a call if you can help and don't leave it to George. George is filling another slot.

East Wake Hardwoods & Gallery

Rodger Barrow is a professional woodworker who founded East Wake Hardwoods after having difficulty finding good wood in eastern NC at a fair price.

He stocks higher grade boards and also many that are wider and thicker than those commonly stocked in this area. Customers are encouraged to select the boards that they prefer.

East Wake Hardwoods also stocks well over 30 species of exotics. For details and prices, see http://eastwakehardwoods.com/exotic_rough.htm Rodger will also help you source the lumber that you need that he does not have.

East Wake Hardwoods is run by the small staff of Rodger, his wife Debbie, and two part-timers.

Shown here are Gene May, Rodger (holding a beautiful curly olive board), and Debbie Barrow.

Jointing (on a 1910 vintage long-bed jointer) and surfacing services are available.

Also custom turning (such as large columns) on a lathe with a 12 foot bed.

East Wake Gallery <http://eastwakegallery.com/> adjoins the wood sales and shop area. Works from many NC master craftsman are for sale.

Some of the works in the gallery are by TWA members.

2006 Auction Rules and Guidelines

The auction will be at Woodworking Shop, 3141 Capital Blvd., 0.9 mile north of the Beltline. Exit 11. with set-up starting at **6:00 pm**, on Nov. 21st, 2006. The auction will be conducted by Phil Bright, a retired professional auctioneer, and by Dick Snow. a computer expert who will record the auction proceedings on his laptop computer. They have conducted many auctions and are very knowledgeable woodworkers. We are fortunate to have their services. With the help of Phil and Dick. We have formulated the following rules and guidelines:

1. Each item or lot must have a potential value of at least \$10 or more. Any number of items can be combined to make a box lot. You may not bid on your own items.
2. Each member can submit up to eight (8) items or lots.
3. A minimum bid (reserve) of \$35 or more can be placed on up to two (2) lots. (A reserve is the minimum sale price you will accept for that lot.) This should be used only for higher value items that are expected to sell for at least \$35.
4. All lots will be sold as is. so the potential buyer should examine the items prior to the auction.
5. All lots should have some relation to woodworking: tools, materials, books, finished craft **or** furniture items.
6. *There will be a 10% buyer's premium charged*, The full sale price will go to the seller, but the buyer will be assessed an additional 10% that will go to the club to help defray costs associated with the auction and as a means to help generate funds for the club.
7. To make the auction manageable, there is a limit of 80 lots. If your registration does not make the cut, you will be notified to NOT bring your items.
8. All items must be pro-registered with Dick Snow by November 8th This will help you in your planning, and will allow Dick to have everything in his computer and ready to go at the auc-tion. Items will be numbered and sold in the order which they are received by Dick. Phil tells us that early items sell better and bring a better price.
9. Only current members of TWA are permitted to participate (buy or sell) in the auction.
10. Send your pre-registration form to Dick Snow (see form for details). It must be in his hands by **November 14th.**
11. All auction items ***MUST BE PRE-REGISTERED!*** We use a computer generated inventory list that is printed prior to the meeting. We are unable to add items to it. Please help make this an enjoyable experience for all!
12. If you have questions , call me, Ed Karolak, at 919-383-4233. 1. The time schedule at the auction site will be the following:

6-7 pm	Bring your pre-registered items and have them tagged.
