## 1008-Kalasa Abhishekam

*In commemoration of*  
**80th Sata Swati Special Aradhana Scheme**

**25th-27th April 2005 At Sri Ahobilam, Kurnool Dt., Andhra Pradesh**

Devotees are aware that the present HH Srimat Azhagiyasingar of Sri Ahobila Mutt has taken enormous interest in the overall development of Sri Ahobila Kshethram, Karnool District, Andhra Pradesh, which is considered as one of the Swayamvektha Kshethras and one of 108 Divya Desas.

As a first step in reviving Sri Ahobila kshetram, in the year 1999, HH Srimat Azhagiyasingar had decided to perform a *Sata Swati Special Aradhana* (SSSA) to all the nine deities on every *Swati* - the birth star of Sri Lakshminarasimha. To implement the above HH had formed a core group to coordinate the entire effort. Accordingly, the core team along with *sishyas* all over India were meticulously performing *thirumanjanam* and *tadeeyaradhanam* on every *Swati* at all the nine hilly-shrines of Lord Sri Lakshminarasimha along with Sri Prahalathavaradhar sannidhi at lower Ahobilam.

From that time onwards, the overall developments of Sri Ahobilam is all there for us to see and enjoy. The following are some of the milestones achieved at Sri Ahobilam.

- Starting with, samprokahanam of Karanja Sri Narasimhar Sannadhi (25<sup>th</sup> SSSA)
- Samprokahanam to all the other nine Sannadhis before 50<sup>th</sup> SSSA.
- Mirror-Mandapam at lower Ahobilam
- Bridges and culverts throughout *nava-narasima* shines for easy and quick travel in the deep forestry
- Concrete roads for sannidhi and car streets
- Architecting a *nava* Ahobilam layout at the outskirts of Sri Ahobilam
- 4000 sqft. dormitory accommodation and public convenience facility at upper Ahobilam
- Drinking water facility at upper Ahobilam

It is all due to the divine SSSA initiative of present HH Srimat Azhagiyasingar.

In the SSSA series, during the 80<sup>th</sup> Swati, HH Srimat Azhagiyasingar desires to be present at Sri Ahobilam perform *sahasra-kalasa-abhishekam* (1008) at Lower Ahobilam to all Narasimhamurthis, Alvars and Acharyas. It is scheduled to commence the 80<sup>th</sup> Swati function on the evening of 25<sup>th</sup> April 2005 and perform 1008-kalasa-abhishekam on 27<sup>th</sup> April 2005.

It is the desire of HH Srimat Azhagiyasingar to make every *sishya*, *asthikas* and *abhimanis* to participate in the best possible manner. The following participation schemes are available to their choice.

- Main kalasams – in silver Rs. 50,000.00 each
- Upakalasam - copper Rs. 10,000.00 each
