1 tsp. cardamom powder
150 gms. plain flour
1 tbsp. ghee
warm water to knead dough
ghee to serve

Method

Boil dal in plenty of water till soft but not broken. Drain in a colander for 10-15 minutes. Pass through an almond grater little by little till all dal is grated. Mash jaggery till lumps break.

Mix well into dal. Put mixture in a heavy saucepan and cook till a soft lump is formed. Take care to stir continuously, so as not to charr. Keep aside. Mix ghee, flour, add enough water to make a soft pliable dough.

Take a morsel sized ball of dough, roll into a 4" round. Place same sized ball of filling in centre, life all round and seal. Re roll carefully to a 6" diameter round. Roast on warm griddle till golden brown.

Repeat other side. Take on serving plate. Apply a tsp. of ghee all over top.

OR

Shallow fry on griddle like a paratha for a better flavour. But this method will consume more ghee and therefore calories. Serve hot with dal or amti.

Note: The water drained from boiling dal is used to make the amti. (a thin curry made using black masala, garam masala and some mashed dal.)
